ADAPTOGENIX™

The ultimate natural solution to combat stress and fatigue!

Feel the transformative power of Adaptogenix™, a groundbreaking blend of potent herbal adaptogens meticulously crafted to combat stress, relieve fatigue, boost energy, and enhance your overall resilience.

Discover relief from the stress of life's daily grind and embrace a life of balance and vitality.

Cognitive Health Products

Our brain makes us who we are. Cognition, the capacity to focus, memorize, or process information, and nervous system transmission capacity all deteriorate due to disease or with age.

Provita's continuously evolving Cognitive Health series, curated from the highest quality sources, is specially formulated to help the brain and nervous system functions.

Retail Series

ADAPTOGENIX™

The ultimate natural solution to combat stress and fatigue!

Adaptogenix™ harnesses the power of natural, herbal adaptogens to help your body better respond to stressors, promoting a sense of calm and balance even on the busiest of days. Our carefully selected herbs work synergistically to revitalize your body and mind, leaving you feeling refreshed and invigorated.

Features

- A synergistic and unique blend of potent herbal adaptogens:
- Includes **Skullcap**, a popular herb in both traditional and western medicine for anxiety and related disorders
- Features **Schisandra**, a herb used in traditional Chinese medicine to treat fatigue
- Contains **California Poppy**, a non-addictive herbal remedy acting on the GABA receptors, with calming/anxiolytic properties
- Incorporates **Ashwagandha** and **Rhodiola** as adaptogens to help combat stress and fatigue

Benefits

- Addresses anxiety and related disorders
- Relieves symptoms of stress and fatigue
- Enhances energy levels and resilience to stress
- Promotes a sense of calmness and relaxation
- Aids in combating adrenal fatigue naturally
- Enhance performance and productivity

Complementary Products

- NADH+ Forte
- Nadogen®
