Alternative, eco-friendly solutions to everyday living

alterfab provides eco-conscious and sustainable solutions to your daily needs that are fun, design centric, of the highest quality and fairly priced. We add a dab of creativity and design to all our products, while making sure they are made with utmost respect to nature and people.

Our GOTS (Global Organic Textile Standard) certified company, designs its products in Toronto and manufactures them in its factory near Mumbai, India. It makes all types of shopping bags, pouches, snack bags, kids bags etc. All the products are made in organic cotton and stitched in a family-owned unit that is SA8000 certified (highest social accountability standards).

Owing to our partnership with **Ecotrend**, we are able to connect with more like minded, conscious people, who are looking for alternative, eco-friendly solutions to everyday living, making it easier for them to adopt a sustainable lifestyle.

Fair Trade. Fair Practices.
