AANGAMIK[®] DMG CHEWABLE 250

A natural health product to support the immune system and protein synthesis.

Aangamik[®] DMG is an adaptogen that can be used to maintain good health and immunity.

As a metabolic enhancer, DMG supports the body throughout the aging process and during immune system challenges.

DMG is an intricate part of human metabolism and has been used in the health field as a nutritional supplement for over 25 years.

Research and clinical experience has shown that DMG supplementation supports:

- Strengthening both arms of the immune system, including antibody, lymphocyte and cytokine production.
- Metabolism of the non-essential amino acid, glycine, which is involved in protein synthesis.

Medicinal Ingredients

Each chewable tablet contains:

N,N-Dimethylglycine (dimethylglycine) 250 mg

Non-Medicinal ingredients: D-Malic acid, magnesium stearate, silicon dioxide, stearic acid, xylitol.

Warning: If pregnant or nursing, consult your healthcare practitioner before taking these products.

Directions for Use: Adults take 1 chewable tablet 1-2 times daily. Consult a healthcare practitioner for use beyond 4 weeks. Do not use if you are pregnant or breastfeeding.

Sold Exclusively Through Healthcare Practitioners.
