EZ Balance™

Therapeutic digestive enzymes

#1 SELLING ENZYME BRAND IN USA

High activity of protease & cellulase

EZ Balance contains two digestive enzymes. This combination assists the body's natural cleansing process with little discomfort common to other cleansing protocols. Cellulase breaks down the yeast cell wall while protease digests the interior proteins.

EZ Balance contains **Thera-blend™** enzymes. **Thera-blend** is an exclusive process that combines multiple strains of enzymes that work in specific pH levels, resulting in superior performance in the body.

EZ Balance uses vegetarian enzymes. Vegetarian enzymes work in a broad pH range, making them active in acidic, neutral and alkaline environments.

Recommended Use:

Take 1 capsule 3 times a day, at least 1 hour before or 2 hours after a meal.

Contraindications:

EZ Balance should not be taken with any timed-release medication that uses cellulose as its time-release mechanism.

Medicinal Ingredients (per capsule) Ingrédients médicinaux (par gélule)

Cellulase <i>Thera-blend™</i> -CA ^{*1}	30,000 FCC CU	260 mg
Protease <i>Thera-blend™</i> -CA ^{*2}	115,000 FCC HUT	229 mg

(*1 Fungal source/Source fongique), (*2 Fungal, Bacterial source/Source fongique, bactérienne)

NON-MEDICINAL INGREDIENTS: 100% Vegetarian Capsule (cellulose, water)
INGRÉDIENTS NON MÉDICINAUX : Gélule végétarienne à 100 % (cellulose, eau)

CONTAINS NO dairy, egg, preservatives, salt, sucrose, soy, wheat, yeast, nuts, corn, gluten, casein, potato, rice, artificial colours, flavours or fillers. **EXEMPT DE :** produits laitiers, oeufs, agents de conservation, sel, sucrose, soja, blé, levure, noix, maïs, gluten, caséine, pomme de terre, riz, saveurs et/ou couleurs artificielles, agents de remplissage.
