## Kids 0-9<sup>®</sup> Cough & Cold Syrup

DIN-HM 80022446

### Symptoms:

Helps relieve symptoms associated with cough and cold:

- Dry cough
- Mucus build-up
- Congestion
- Pain
- Fever

### Benefits:

Gluten-free and sugar-free. Great taste.

### Suggested Use:

- Children 0 to 6 years of age: ½ teaspoon every 4 hours.
- Children 7 to 9 years of age: 1 teaspoon every 4 hours.

Reduce intake with improvement or as directed by a healthcare practitioner.

Following Health Canada concerns, there is a growing demand for natural health products for cough and cold symptoms that can be used for children under the age of 6.

| Medicinal Ingredients HPUS           | Purpose                    |
|--------------------------------------|----------------------------|
| Drosera 1C (Sundew)                  | Dry cough                  |

# Medicines Moms Can Trust!

## Kids 0-9<sup>®</sup> Colic Oral Solution

### Symptoms:

Helps relieve symptoms associated with colic:

- Gas pain
- Agitation
- Nausea
- Irritability
- Burping

### Benefits:

Dye-free, gluten-free and sugar-free. Great tasting raspberry flavor.

DIN-HM 80007402

### Suggested Use:

• Children 0 to 9 years of age: At the onset of pain, give 15 drops every 15 minutes up to 4 times if needed and reduce intake with improvement or directed by a healthcare practitioner.

Our Formula contains **Magnesia phosphorica 6X** which helps reduce abdominal cramps.

| Medicinal Ingredients HPUS                             | Purpose                        |
|--|--------------------------------|
| Colocynthis 6X (Bitter apple)                          | Abdominal cramps               |
| Magnesia phosphorica 6X (Magnesium hydrogen phosphate) | Bloating and colic             |
| Chamomilla 6X (German chamomile)                       | Nausea and irritability        |
| Dioscorea villosa 6X (Wild yam)                        | Flatulence and colic-like pain |

# Medicines Moms Can Trust!

## Kids 0-9<sup>®</sup> Teething Oral Solution

### Symptoms:

Helps soothe teething symptoms:

- Gum pain
- Agitation
- Irritability

### Benefits:

Dye-free, gluten-free and sugar-free. Great tasting orange flavor.

DIN-HM 80007399

### Suggested Use:

Children 0 to 9 years of age: Acute pain: give 15 drops every 15 minutes up to 4 times if needed. Non-acute pain: give 15 drops 3 times daily. Reduce intake with improvement or as directed by a healthcare practitioner.

Our Kids 0-9 Teething solution uses **Arnica** for toothache with swelling of the cheeks, **Borax** for gum inflammation and **Hypericum** for dental nerve pain.

| Medicinal Ingredients HPUS               | Purpose                                 |
|--|---|
| Chamomilla 5C (German chamomile)         | Insupportable gum pain and irritability |
| Arnica montana 5C (Leopard's bane)       | Toothache with swelling of the cheeks   |
| Borax 5C (Sodium borate)                 | Gum inflammation                        |
| Hypericum perforatum 5C (St John's wort) | Dental nerve pain                       |

# Medicines Moms Can Trust!

## Kids 0-9® Pain and Fever Oral Solution

DIN-HM 80022567

### Symptoms:

Helps reduce fever and relieve pain from:

- Sore throat
- Headaches
- Toothaches
- Soreness

### Benefits:

Dye-free, gluten free and sugar-free. Great tasting cherry flavor.

### Suggested Use:

- Children 0 to 9 years of age: give 1 dropper (0.75 ml) 1 to 3 times daily and reduce intake as symptoms improve or as directed by a healthcare practitioner.

Following Health Canada concerns, parents are now more and more reluctant to give regular OTC fever medication to their children, and are looking for an effective alternative.

| Medicinal Ingredients HPUS                      | Purpose                                     |
|---|---|
| Arnica montana 8X (Leopard's bane)              | Fever, aches & pains, headache, sore throat |
| Ferrum phosphoricum 8X (Ferrosferric phosphate) | Fever, inflammation                         |
| Hypericum perforatum 8X (St. John's wort)       | Pain in the extremities and toothache       |
| Belladonna 8X (Deadly nightshade)               | Fever and shooting pain                     |
| Thuja occidentalis 8X (White cedar)             | Nasal congestion                            |
| Ledum palustre 8X (Wild rosemary)               | Fever and chills                            |
