

Medicines Moms Can Trust!

Kids 0-9[®] Teething Oral Solution

Symptoms:

Helps soothe teething symptoms:

- Gum pain
- Agitation
- Irritability

Benefits:

Dye-free, gluten-free and sugar-free. Great tasting orange flavor.

DIN-HM 80007399

Suggested Use:

Children 0 to 9 years of age: Acute pain: give 15 drops every 15 minutes up to 4 times if needed. Non-acute pain: give 15 drops 3 times daily. Reduce intake with improvement or as directed by a healthcare practitioner.

Our Kids 0-9 Teething solution uses **Arnica** for toothache with swelling of the cheeks, **Borax** for gum inflammation and **Hypericum** for dental nerve pain.

Medicinal Ingredients HPUS	Purpose
Chamomilla 5C (German chamomile)	Insupportable gum pain and irritability
Arnica montana 5C (Leopard's bane)	Toothache with swelling of the cheeks
Borax 5C (Sodium borate)	Gum inflammation
Hypericum perforatum 5C (St John's wort)	Dental nerve pain
