Age Spot Lightening Serum

Helps to hydrate your skin while lightening & toning
age spots.

TARGET MARKET:

Consumers that are looking for a facial serum that lightens the appearance of age spots while moisturizing the skin.

UP TO 60 DAY
SUPPLY

Directions:

After cleansing in the morning or evening, lightly dampen your face and apply to the desired areas. For greater support, use twice daily in conjunction with Pure Hyaluronic Acid or Coenzyme Q10 Serums. See our complete line of serums for other targeted results. For external use only. Keep out of reach of children.

Ingredients:

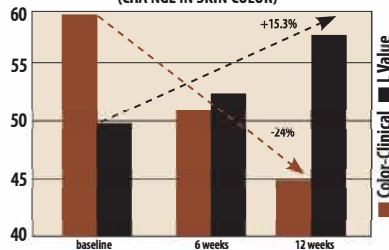

Water, Vegetable Glycerin, Malva Sylvestris (Mallow) Extract, Mentha Piperita (Peppermint) Leaf Extract, Primula Veris Extract, Alchemilla Vulgaris Extract, Veronica Officialis Extract, Melissa Officialis Leaf Extract, Achillea Millefolium Extract (Gigawhite), Sodium Hyaluronate (Hyaluronic Acid), Xanthan Gum, Silicate, Chamomile Extract, Green Tea Extract, Glucose, Lactoperoxidase, Glucose Oxidase.

Hyalogic's Age Spot Lightening Face Serum is an effective combination of Hyaluronic Acid and Gigawhite™ designed to hydrate your skin while lightening and toning age spots.

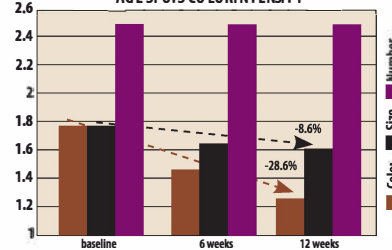

Hyaluronic Acid (HA) is a vital and natural element of healthy, vibrant skin. It is necessary to retain the skin's moisture and to provide volume, form and lift.

Gigawhite™ is a special blend of extracts from alpine botanicals that have been shown to lessen the appearance of age spots while evening skin tones. *Gigawhite™ shows appearance of lightening activity after 12 weeks.*
