Item # HT10011

UPC: 858259000643

Packaging: Bottle - clear

Box: White recyclable box

Size: 2 oz.

Dimensions: 2.5" x 2" x 4.5"

Gross Weight: 3.6 oz.

Collagen Facial Mist

Marine collagen rich formula that can help promote skin elasticity.

TARGET MARKET:

Consumers that are looking for a facial mist that enhances the look of skin firmness.

Directions:

Apply mist to clean skin morning and night. For optimum results, use prior to our Collagen HA Triple Boost Face Serum to help lock in maximum hydration.

Cautions:

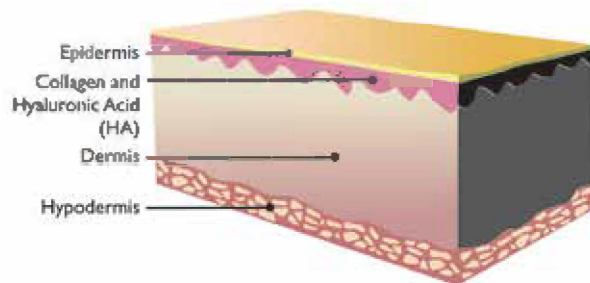

For external use only. Keep out of reach of children. Discontinue use if redness or irritation occurs.

Ingredients:

De-ionized Water, Sodium Hyaluronate (Hyaluronic Acid), Hydrolyzed Collagen (Marine), Zinc Citrate

Hyalagic's Collagen Facial Mist uses Marine Collagen with Hyaluronic Acid to support moisture levels and recover loss of firmness and elasticity. This facial mist provides skin with a more lifted appearance, better definition and makes skin noticeably firmer looking. Hyaluronic Acid provides volume, form and lift.

Collagen is a natural protein peptide produced inside the body. When present in the skin, it maintains skin elasticity. When the collagen in our body naturally decreases with age, the skin takes on an unhealthy appearance. The marine collagen used is hydrolyzed and reduced down to a perfect size so that your skin can quickly absorb and restore elasticity back to a healthy appearance. Just a quick misting everyday can bring back the beauty.
