Collagen HA Triple Boost

Triple boost action helps ensure a more lifted appearance, better definition and noticeably firmer looking skin.

TARGET MARKET:

Consumers that are looking for a facial serum that moisturizes and rejuvenates skin to feel younger and to fight the look of wrinkles.

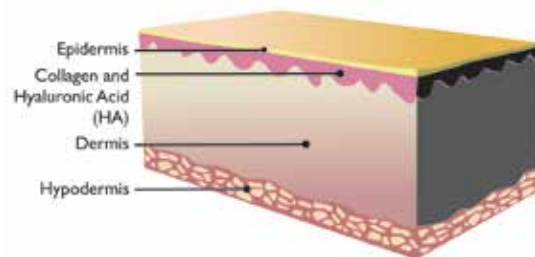

Directions:

Using fingertips, gently apply serum to cleansed face. Can be smoothed all over the face and neck or applied to specific areas. Gently massage any remaining excess into the skin.

Ingredients:

Water, Vegetable Glycerin, Palmitoyl Tripeptide-5, Hydrolyzed Collagen (Marine), Sodium Hyaluronate (Hyaluronic Acid), Glucose, Xanthan Gum, Lactoperoxidase, Glucose Oxidase.

HA Collagen Boost Face Serum For a more lifted appearance and improved contour, Collagen HA Triple Boost Face Serum is formulated to moisturize and restore youthful volume to skin that has lost its elasticity and firmness. The unique formula combines three powerful boosters designed to help the skin look radiant. Hyaluronic Acid to moisturize and hydrate, Syn-Coll and our special Marine collagen antioxidant formula that promotes healthy, young looking skin. Multi-level action helps ensure a more lifted appearance, better definition and noticeably firmer looking skin.
