Dark Circle Lightening Serum

Helps lighten the appearance of dark eye circles & puffy eye bags.

TARGET MARKET:

Consumers that are looking for a facial serum that lightens the appearance of dark circles while moisturizing the skin.

**UP TO 60 DAY
SUPPLY**

Directions:

After cleansing in the morning or evening, lightly dampen your face and apply under the eyes. For greater support, use twice daily in conjunction with Pure Hyaluronic Acid or Coenzyme Q10 Serums. See our complete line of serums for other targeted results. For external use only. Keep out of reach of children.

Ingredients:

Water, Vegetable Glycerin, Acetyl Tetrapeptide-5 (Eyeseryl), Hydrolyzed Rice Bran Protein (and) Glycine Soja (Soybean) Protein (and) Oxido Reductases (Regu-Age), Sodium Hyaluronate (Hyaluronic Acid), Xanthan Gum, Chamomile Extract, Green Tea Extract, Glucose, Lactoperoxidase, Glucose Oxidase.

Hyalogic's Dark Circle Lightening Face Serum is an effective combination of Hyaluronic Acid, Eyeseryl® and Regu®-Age designed to hydrate the skin and lessen the appearance of dark circles.

Hyaluronic Acid (HA) is a vital and natural element of healthy, vibrant skin. It is necessary to retain the skin's moisture and to provide volume, form and lift.

Eyeseryl® is a tetrapeptide with known results in lessening the appearance of puffy eyebags. *Typical results in 15 days.*

Regu®-Age is an active complex consisting of specially purified soy, rice peptides, and yeast protein. *Regu®-Age is known to lessen the appearance of dark eye circles in around 8 weeks.*
