# HA Facial Cleanser

Helps to support the skin's ability to retain moisture.

**TARGET MARKET:**

Consumers that are looking for a facial cleanser that moisturizes the skin.

**Directions:**

Pour a small amount of cleanser into dampened hands, then massage over face and neck. Rinse thoroughly with water.

**Ingredients:**

Water, Sodium Lauryl Glucose Carboxylate, Lauryl Glucoside, Decyl Glucoside, Disodium Cocoyl Glutamate, Vegetable Glycerin, Bentonite Clay, Xanthan Gum, Glucose, Lactobacillus, Cocos Nucifera (Coconut) Fruit Extract, Sodium Hyaluronate (Hyaluronic Acid), Guar Hydroxypropyltrimonium Chloride, Panthenol, Tocopheryl Acetate, Glucose Oxidase, Lactoperoxidase.

## Hydrating Facial Cleanser

This deeply moisturizing, sulfate-free Facial Cleanser washes away dirt, oil and impurities, leaving skin soft, smooth and refreshed. Combined with premium, ultra-hydrating Hyaluronic Acid, this lavish Facial Cleanser contains the powerful ingredient, Bentonite Clay, known for its ability to absorb toxins and impurities. This paraben free Facial Cleanser contains a rich lather that moisturizes and revitalizes the skin.
