HA Moisture Mask

Helps to restore proper moisture, lighten the look
of blemish marks and fine line wrinkles.

TARGET MARKET:

Consumers that are looking for a mask to moisten face while softening the look of blemishes and wrinkles.

**4 Masks per
BOX**

Hyalogic's HA Moisture Face Mask provides your skin with deep, penetrating hydration, while improving your skin's tone and appearance. This formula's light, non-greasy texture soothes and refreshes skin as well as helps to smooth fine lines and wrinkles.

Hyaluronic Acid (HA) is a natural and vital element of healthy, supple skin. HA has the unique ability to bind up to 1,000 times its weight in water, which makes it nature's greatest natural hydrator for your skin!

The body's HA production naturally decreases with age, leaving skin dry and wrinkled. Replenishing the body's natural HA allows the skin to retain moisture and provides age-defying volume, form and lift. It also lessens the appearance of fine lines and wrinkles.

Enrich your skin with moisture and beautifying elements for an over-all, youthful appearance. Contains Hyaluronic Acid which aids to moisturize and support the elasticity of your skin. The convenient ready-to-use mask is ideal for all skin types.

Directions:

- 1) Use once or twice weekly
- 2) After cleansing, open pouch, remove pre-moistened mask and unfold
- 3) Press gently with finger-tips to spread evenly over face
- 4) Relax for **15-20 minutes**, then remove mask
- 5) Gently massage remaining fluid onto skin. Discard mask after use

Cautions:

For external use only. Keep out of reach of children. Store at room temperature. Discontinue use if irritation occurs.

Ingredients:

Water, Sodium Hyaluronate (Hyaluronic Acid), Aloe Barbadensis Leaf Extract, Lemon Extract, Xanthan Gum, Hydroxyethylcellulose.
