HA Skin Perfecting Lotion

Lessens oiliness so acne & blemishes cant get a foothold.

TARGET MARKET:

Consumers that are looking for a product that controls shine & oiliness, as well as improve the look, feel & texture of their skin.

Directions:

After cleansing, apply product to face twice daily.

Warnings:

Keep away from eyes. Store at room temperature. For external use only. Keep out of reach of children.

Ingredients:

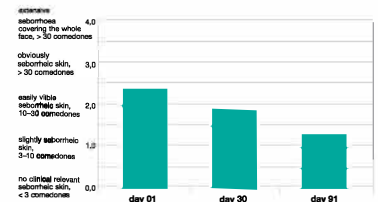

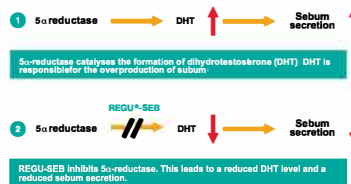

Water, Argania Spinosa Kernel Extract, Serenoa Serrulata (Saw Palmetto) Fruit Extract, Sesamum Indicum (Sesame) Seed Extract, Cetearyl Oliviate and Sorbitan Oliviate, Sodium Hyaluronate (Hyaluronic Acid), Green Tea Extract (Camellia Sinesis Leaf Extract), Xanthan Gum, Glucose, Glucose Oxidase and Lactoperoxidase

What is HA Skin Perfecting Lotion?

HA Skin Perfecting Lotion utilizes the patented cleansing properties of Regu-Seb® to help lessen skin oiliness. Hyaluronic Acid and argan oil have been added to soothe and moisturize the skin, leaving it smooth and fresh all day.

Hyaluronic Acid is the most important element of the skin that is necessary to retain moisture and provide volume, form and lift. Hyaluronic Acid can hold up to 1,000 times its weight in water, making it one of the best known moisturizers. Moisturize and soothe your skin with Skin Perfecting Lotion.

Regu-Seb® is a unique composition derived from the fruits of the North American saw palmetto and South American sesame seeds, which are then processed in a Moroccan Argan kernel extract (**Argan Oil**) base. These two ingredients work to nourish the skin and control sebum oil production.
