**UP TO 60 DAY
SUPPLY**

Directions:

After cleansing in the morning or evening, lightly dampen your face and apply to the desired areas. For greater support, use twice daily in conjunction with Pure Hyaluronic Acid or Coenzyme Q10 Serums. See our complete line of serums for other targeted concerns. For external use only. Keep out of reach of children.

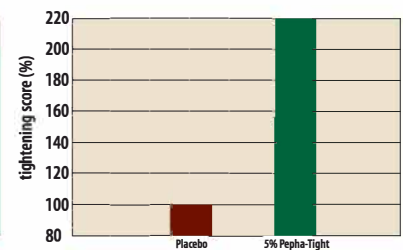

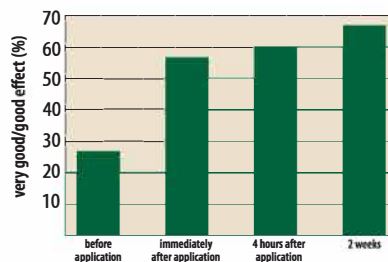

Ingredients:

Water, Algae Extract (and) Pullulan (Pepha-Tight), Sodium Hyaluronate (Hyaluronic Acid), Zinc Gluconate, Xanthan Gum, Vegetable Glycerin, Retinol (Vitamin A), Citric Acid, Glucose, Lactoperoxidase, Glucose Oxidase.

Hyalogic's Instant Facelift Face Serum combines ultra-hydrating Hyaluronic Acid with Pepha® -Tight, a unique natural algae extract known for its instant skin-tightening effect. This light, non-greasy formula helps to lessen the appearance of fine lines and wrinkles caused by oxidative stress.

Hyaluronic Acid (HA) is a vital and natural element of healthy, vibrant skin. It is necessary to retain the skin's moisture and to provide volume, form and lift.

Pepha®-Tight is a highly purified, natural extract of the microalgae *Nannochloropsis oculata*. It lifts and tightens the skin. When used consistently, it supports healthy collagen fibers and skin cell integrity, as well as healthy collagen production in the skin.
