MSRP: \$59.95

Pure HA Serum

Helps to support the skin's ability to retain moisture.

TARGET MARKET:

Consumers that are looking for a facial serum that moisturizes the skin.

UP TO 60 DAY SUPPLY

Directions:

After cleansing in the morning or evening, lightly dampen your face and apply one pump evenly to the desired areas. For greater support, use twice daily. See our complete line of serums for other targeted concerns. For external use only. Keep out of reach of children.

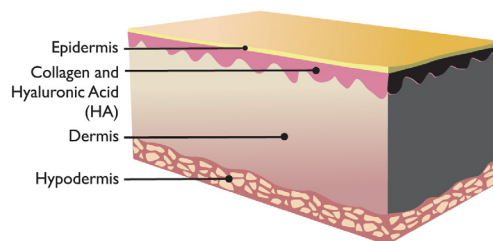

Ingredients:

Water, Sodium Hyaluronate (Hyaluronic Acid), Zinc Citrate.

Hyalogic's PureHyaluronic Acid Face Serum provides your skin with deep, penetrating hydration, while improving your skin's tone and appearance. This formula's light, non-greasy texture soothes and refreshes skin as well as helps to smooth fine lines and wrinkles.

Hyaluronic Acid (HA) is a natural and vital element of healthy, supple skin. HA has the unique ability to bind up to 1,000 times its weight in water, which makes it nature's greatest natural hydrator for your skin!

The body's HA production naturally decreases with age, leaving skin dry and wrinkled. Replenishing the body's natural HA allows the skin to retain moisture and provides age-defying volume, form and lift as well as lessening the appearance of fine lines and wrinkles.
