

Children's DHA™ *xtra*

55 mg EPA/125 mg DHA

Children's DHA Xtra provides three times the DHA as our top-selling Children's DHA to address two formidable childhood challenges: widespread deficits in omega-3 intake, and difficulty getting young kids to take supplements. Children's DHA Xtra is a potent source of the omega-3, DHA an essential nutrient for proper development and plays a key role in every aspect of health, including brain and eye function. Like all our fish oil products, Children's DHA Xtra is research-backed and made entirely by Nordic Naturals to guarantee a safe, sustainable, and exceptionally fresh and pure product.
