

Infections

AKUTUR spag. drops	– urinary tract infections
DALEKTRO N drops	– mineral / electrolyte metabolism
apo-INFEKT spag. drops	– bacterial and viral infections
ITIRES spag. drops	– lymph conditions / -drainage
ITIRES spag. ointment	– lymph conditions / -drainage
OPSONAT spag. drops	– inflammation of mucosal membranes
RICURA spag. drops	– sinusitis, rhinitis
SEPTONSIL spag. drops	– tonsillitis
TOXEX spag. drops	– tissue and systemic detoxification

Colds

apo-INFEKT spag. drops	– bacterial and viral infections
OPSONAT spag. drops	– inflammation of mucosal membranes
RICURA spag. drops	– sinusitis, rhinitis
SEPTONSIL spag. drops	– tonsillitis
TOXEX spag. drops	– tissue and systemic detoxification

Pain

apo-DOLOR spag. drops	– headaches, pain in limbs, nerves
apo-RHEUM spag. drops	– non-articular rheumatism
DALEKTRO N drops	– mineral / electrolyte metabolism
FLAMYAR spag. ointment	– sports medicine, contusions distorsions, hematoma
INFLAMYAR spag. drops	– sports medicine, contusions distorsions, hematoma

Bladder – Kidneys

apo-OEDEM spag. drops	– edema, general
AKUTUR spag. drops	– urinary tract infections
MUNDIPUR spag. drops	– waste products of the tissue
OPSONAT spag. drops	– inflammation of mucosal membranes
RENELIX spag. drops	– kidney dysfunction, urinary gravel

Skin

DERCUT spag. drops	– skin diseases
DERCUT spag. ointment	– skin diseases ointment
OPSONAT spag. drops	– inflammation of mucosal membranes
PROALLER spag. drops	– allergies and hay fever
TOXEX spag. drops	– tissue and systemic detoxification
ZELLULISAN spag. ointment	– weakness of the connective tissue, cellulitis

Heart – Circulation

apo-OEDEM spag. drops	– edema, general
CARDINORMA spag. drops	– heart and circulatory conditions
CLAUPAREST spag. drops	– circulation problems
co-HYPERT spag. drops	– high blood pressure
coro-CALM spag. drops	– agitated heart, tachycardia

Rheumatism

apo-RHEUM spag. drops	– non-articular rheumatism
CLAUPAREST spag. drops	– circulation problems
FLAMYAR spag. ointment	– sports medicine, contusions distorsions, hematoma
INFLAMYAR spag. drops	– sports medicine, contusions distorsions, hematoma
MUNDIPUR spag. drops	– waste products of the tissue
OPSONAT spag. drops	– inflammation of mucosal membranes

Metabolism

apo-HEPAT spag. drops	– liver and gallbladder function
ITIRES spag. drops	– lymph conditions / -drainage
OPSONAT spag. drops	– inflammation of mucosal membranes
RENELIX spag. drops	– kidney dysfunction, urinary gravel
TOXEX spag. drops	– tissue and systemic detoxification

Digestive Tract

AILGENO spag. drops	– diseases and dysfunction of the spleen
apo-STOM spag. drops	– digestive / stomach diseases
GLUCORECT spag. drops	– regulation of the sugar metabolism
apo-HEPAT spag. drops	– liver and gallbladder function
OPSONAT spag. drops	– inflammation of mucosal membranes
SPECI-CHOL spag. drops	– functional disturbances of the pancreas
TOXEX spag. drops	– tissue and systemic detoxification

Nerves – Menopause – Thyroidea

DALEKTRO N drops	– mineral / electrolyte metabolism
KLIFEM spag. drops	– menopausal conditions
NEU-regen spag. syrup	– mental and physical exhaustion
SOMCUPIN spag. drops	– insomnia, sleeplessness
apo-STRUM spag. drops	– thyroid dysfunction
PSY-stabil spag. drops	– nervous overstrain, anxiety

Other Specialities

HELMIN spag. drops	– disturbed gut symbiosis in connection with parasitic infections
GLAUTARAKT spag. drops	– disturbed metabolism of the eye
