

TANIT

ALOE VERA MIST (AFTER SUN)

DESCRIPTION:

Infused with plant extracts and essential oils, this soothing and hydrating mist is ideal after sun exposure, on irritated skin, or on skin in need of gentle cooling.

item code: 80250010-60

UPC 628504688526 Qty 60 mL | 2 oz

6 28504 68852 6

KEY FEATURES:

- Organic ingredients
- Mild preservatives, authorized by Ecocert
- Recyclable packaging (glass bottle, aluminum pump)

DIRECTIONS:

- Shake before use.
- Hold 25-30 cm away from skin and lightly mist.
- Ideal for use after cleansing, as well as throughout the day.

INGREDIENTS:

Aloe barbadensis (Aloe Vera) leaf powder water, *Mentha piperita* (Peppermint) leaf water, *Hamamelis virginiana* (Witch Hazel) extract, *Calendula officinalis* (Calendula) extract, *Lavandula angustifolia* (Lavender) oil, *Mentha viridis* (Spearmint) leaf oil

KEY INGREDIENTS:

Mint + lavender (essential oils): provide immediate soothing and refreshing sensations

Hamamelis (witch hazel): excellent anti-inflammatory properties

Aloe vera: penetrates to the deepest level of the skin to help maintain optimal hydration levels

Calendula: regenerating properties that help repair irritated or sun-damaged skin
