KEY FEATURES:

- Not granular; dissolve instantly
- Compact; easy to transport
- Formulated with nHAp, a natural and non-toxic alternative to fluoride
- Refillable and recyclable packaging (glass and bamboo jar)
- Reduces, on average, the waste produced by 5 standard tubes of toothpaste per person, per year

100% natural

alternative to fluoride

vegan

foaming

INGREDIENTS:

Xylitol, Calcium carbonate, Kaolin clay, Sodium bicarbonate, *Aloe barbadensis* (Aloe Vera) leaf juice powder, Sodium cocoyl isethionate, Stevia, Natural flavours, Hydroxyapatite, *Mentha viridis* (Spearmint) extract, *Camellia sinensis* (Green Tea) extract, Menthol, *Senegalia senegal* (Acacia) gum, *Melaleuca alternifolia* (Tea Tree) leaf oil, *Citrus grandis* (Grapefruit) seed extract

KEY INGREDIENTS:

Nano-hydroxapatite (nHAp) (10%): remineralizes and strengthens tooth enamel, fights cavities and tooth sensitivity, and helps restore natural whiteness and smoothness

Xylitol (35%): natural sweetener from birch bark; helps treat dry mouth and prevent cavities by increasing saliva production

Aloe vera: powerful anti-inflammatory and antibacterial properties; fights plaque and gingivitis

Grapefruit seed extract: helps maintain fresh breath and proper balance of mouth bacteria

Natural mint extracts: provide a minty-fresh feeling and a cooling sensation

DIRECTIONS:

- Break apart tablet with teeth.
- With a wet toothbrush, brush against the tablet pieces to create foam.
- Continue to brush as usual for 2-3 minutes and rinse.
