### KEY INGREDIENTS:

**Nano-hydroxapatite (nHAp) (10%):** helps remineralize and strengthen tooth enamel, fights cavities and tooth sensitivity, and helps restore natural whiteness and smoothness

**Xylitol (35%):** natural sweetener from birch bark helps treat dry mouth and prevent cavities by increasing saliva production

**Aloe vera:** powerful anti-inflammatory and antibacterial properties; helps fight plaque and gingivitis

**Grapefruit seed extract:** helps maintain fresh breath and proper balance of mouth bacteria

**Natural mint extracts:** provide a minty-fresh feeling and a gently cooling sensation

### DIRECTIONS:

- Break apart tablet with teeth.
- With a wet toothbrush, brush against the tablet pieces to create foam.
- Continue to brush as usual for 2-3 minutes and rinse.
