

NORDIC  NATURALS®

# ULTIMATE™ OMEGA 2X

Introducing the highest-concentration  
triglyceride-form omega oil

NORDIC  NATURALS®

# ULTIMATE™ OMEGA 2X

Ultimate Omega 2X features our highest-concentration triglyceride-form omega-3 oil in a slightly larger soft gel that delivers 1000 mg EPA+DHA per soft gel. With one or two soft gel serving options, this powerful concentrate can be tailored to meet a broad range of unique nutritional needs.

- Highest-concentration triglyceride-form omega oil
- More omegas in fewer soft gels
- Helps support cognitive health and brain function
- Helps maintain cardiovascular health
- Helps to reduce triglycerides

Medicinal ingredients:	Per soft gel:
Fish Oil (from anchovies and sardines) .....	1250 mg
Eicosapentaenoic Acid (EPA) .....	562 mg
Docosahexaenoic Acid (DHA).....	438 mg

**Non-medical ingredients:** soft gel capsule (gelatin, glycerin, purified water), natural lemon flavour, vitamin E, rosemary extract.
